Dogpatch Neighborhood

Encourage housing and mixed use here, while protecting the historic Dogpatch neighborhood from larger bio-science or medical related development.

Northern Portion of Central Waterfront

Encourage housing and mixed use here, while also acknowledging proximity to Mission Bay by permitting bioscience and medical-related offices, research and clinical facilities.

Pier 70 and the Potrero Power Plant Site

Change zoning to reflect the development plans for the pier 70 and the Potrero power plant site.

Pier 80

Maintain existing manufacturing zoning here to support the Port's ongoing maritime operations.

Central Waterfront PDR District

Foster continued use of this zone for PDR businesses of all sorts, prohibit residential development and limit office and retail development.

Third Street Parcels

Allow more land use flexibility in this area. Encourage greater retail use on the ground floor of parcels in this area to take advantage of transit service and encourage more mixed uses, while protecting against the wholesale displacement of PDR uses.
